

# Please Recycle Plastic Bags at Supermarkets, not in your Household Recycling Bin.

We no longer collect plastic bags for recycling. Retail locations across the county – such as large grocery chains, home improvement stores, Walmart, Target, etc. – provide collection bins for these plastic bags/wraps/film, usually in the storefront close to the main entrance. Since you picked up your grocery or shopping bags at these stores, why not just return them on your next trip? They will be recycled into products without going through the processing equipment.

Recycle if  
Clean & Dry

Plastic Bags clog up recycling processing equipment just like hair clogs up the rollers of a vacuum cleaner

This means  
NO recycle  
items in  
plastic bags  
of any type  
as well.
